Subject: Urgent Inquiry Regarding Allegations Concerning Pamela Piechowicz

To: <program@vcesummertutoring.au>

Dear VCE Summer Tutoring Team,

I am writing on behalf of The Movement Against Kindred Offenders (MAKO), an organization dedicated to listing and tracking individuals who have been identified as sexual offenders nationwide.

We have recently launched an investigation into allegations involving one of your tutors, Pamela Piechowicz. These allegations concern potential misconduct with minors, including molestation. While we are in the process of verifying the validity of these claims prior to any formal listing or police report, we respectfully request that you consider implementing appropriate interim safeguarding measures, such as having Ms. Piechowicz be placed on temporary leave or restricted from direct contact with individuals under the age of 18, while the information is assessed further. It is your duty of care to keep your students safe.

This correspondence is provided in confidence and solely for the purpose of enabling you to consider risk-management steps. We recommend that you also seek your own legal advice regarding any action you may take.

Thank you for your understanding and cooperation.

Kind regards,
Malcolm Byrne
